# ABOUT US

Founded in 2000, the Tulare County Office of Education Foundation is a nonprofit corporation that supports the many student programs and activities of the Tulare County Office of Education (TCOE). The Foundation provides grants to TCOE teachers and administrators that oversee programs, including those for students with special needs, the Theatre Company, the SCICON outdoor education program and dozens of annual student events such as Mock Trial, Academic Decathlon, and Expanding Your Horizons. Annually, the Foundation funds new projects envisioned by program leaders and supports established programs – some which have served Tulare County students for 20, 30, and even 60 years.

The Foundation is led by a board of highly successful educators and community members who are passionate about TCOE and its support of Tulare County students. Foundation board members include Janice Castle (Chairperson/President), Steve Tsuboi (Vice President), and Jeff Boswell (Secretary); and directors Luis Castellanoz, John Caudle, Pansy Ceballos, Ed.D., Joe Mesa, Margaret Moholt, Guadalupe Solis, Ed.D., Terri Rufert, Ken White, and Rhonda Wilbur.

The Foundation supports the mission of the Tulare County Office of Education, which is to provide quality service and support to the students and school districts of Tulare County. This is achieved by promoting life-long learning opportunities that will help individuals lead healthy and productive lives. The Tulare County Office of Education is dedicated to working in a collaborative manner with students, parents, school districts, public agencies, and communities to prepare students to meet the challenges of the 21st century.
