# Tulare County Office of Education

*Jim Vidak, County Superintendent of Schools*

Tulare County Office of Education is pleased to announce additional ELPAC Initial Assessment Administration and Scoring trainings this fall. Representatives from all LEAs, including those trained for the Initial Field Test administration, must also attend a training. This training will follow a “training-of-trainers” model designed so that attendees can provide in-person training to their own LEA.

The English Proficiency Assessments for California (ELPAC) Initial Assessment testing window is July 1, 2018, through June 30, 2019. This is a **mandatory** training for each LEA that will be administering the new ELPAC. Representatives from all LEAs, including those trained for the Summative Assessment administration in the fall/winter of 2017, must also attend one of the trainings below. A majority of the training day will be spent on the administration and scoring of the Writing Domain.
