Leveraging Language for Student Success in History-Social Science Grades K-12

Is language a bridge or a barrier in your classroom? Do you have enough strategies in your toolkit to meet the rigor required for inquiry in the new History-Social Science framework? Attend this professional learning opportunity and discover how to:

- Develop practical strategies that you can implement in your classroom tomorrow.
- Build success through relevant practice that can be used on a daily basis to promote language development for all students.
- Support students in acquiring the skills necessary for successful inquiry in History-Social Science classrooms.

Walk away with a better understanding of how ELD standards can be used to support the content of History-Social Science.

Space is limited. Register today and learn more!
