

# Arbor Day 2019

## **Participating Teachers will:**

- Have fun learning with your students through hands-on environmental lessons conducted by skilled gardeners.
- Receive materials with information about trees and environmental education that can be used to teach state content standards.
- Relax and enjoy the great outdoors in the month of April.

**Date:** March 28, 2019

**Location:** Mooney Grove Park

**Time:** 9:00 a.m. - 1:30 p.m.

## **Third- through Fifth-Grade Students will:**

- Enjoy hands-on environmental lessons at the park conducted by local environmental experts.
- Tour the County museum and learn about the rich history of our valley.
- Help plant a tree at Mooney Grove for the restoration of the park.
- Learn how to plant trees properly and be given their own tree to take home and plant.
- Bring a sack lunch to enjoy at the park.
- Have fun and get dirty.

*Space is limited! Teachers wishing to participate in this celebration should register online at <http://bit.ly/TCArborDay>.*

*Once we've confirmed your reservation, an agenda listing the activities and a map of the park will be sent to you.*
