School Library Services in California and the Central Valley

Workshop Outcomes:

- *Identify key aspects of the **2016 School Library Audit** to implement within your district.
- *Understand the unique roles of both the **Teacher Librarian** and the **Paraprofessional Library Technician**.
- *Explore application of the **K-12 Model School Library Standards** which were adopted by the CDE in 2010.
- *Build knowledge on why and how to complete the **Annual School Library Survey (CA Education Code 18122.)**
- *Engage in a discussion on how school libraries address the LCFF's eight state priorities

Keynote Speakers:

Maria Petropulos

District Library Coordinator Selma Unified SD

Ms. Petropulos will discuss the unique roles of both Teacher Librarians and Library Paraprofessionals in school libraries. In addition, she will share Selma Unified School District's journey over the past ten years toward employing Teacher Librarians at all their school sites.

Renée Ousley-Swank

School Library Technology Consultant, CA Dept. of Education

Ms. Ousley-Swank played a large role in assisting the State Auditor's with the 2016 School Library Audit. She will review the results and recommendations from the audit as well as the importance of completing the annual school library survey.

Steve Rosa

Principal/Superintendent Burrel Union Elementary SD

Mr. Rosa will chronicle his experiences reestablishing the school library after being without a dedicated library space for over nine years. He will also highlight how the school library has impacted student achievement and engagement school-wide.

Debra Lockwood

Library Media Supervisor, Tulare County Office of Education

Ms. Lockwood will provide an overview of the Model School Library Standards, and the variety of services available through the Educational Resource Services Library.
