Foundations: Developing Awareness of Key Concepts

Social and Emotional Learning (SEL) is a big part of many conversations in education during this unique time. To build foundational awareness of key concepts, TCOE has developed this introductory offering. If you are interested in building your capacity to support SEL in your classrooms, on your campuses, and in your life, please join us!

This professional learning series will explore the foundations of SEL with specific focus on:

- CASEL's SEL Core Competencies
- Neuroscience and SEL
- Adult Well-Being
