## Project Based Learning Integrated Design

Learn how to develop, assess and manage standards focused Project Based Learning in your California Standards Classroom using Tulare County Office of Education's 10 pblCORE characteristics. This training engages participants in learning about PBL through direct instruction, video analysis and hands-on group work. Participants have the opportunity to plan, design and receive peer feedback on an engaging project using models and tools developed or adapted by Tulare County Office of Education. Participants will explore California Standards shifts to ensure rigor and relevance in each project.
