

The Content, Literacy, Inquiry, and Citizenship (CLIC) Project

**Zoom Virtual
Professional Learning
Series**

**Tulare, Fresno, Merced, Madera, Mariposa, Kings Counties
for K-12 Teachers, School Administrators and Paraprofessionals**

We are pleased to be partnering with these local organizations throughout the year:

The California Budget Act of 2017 allocated funding for the County Offices of Education to provide high-quality professional learning, resources, and targeted support for K-12 history-social science so that teachers, administrators, and para-professionals can go beyond the overview phase and move toward full implementation of the HSS Framework.

Participants of this **VIRTUAL** professional learning series will receive at no cost:

- Professional learning focused on developing inquiry-based critical thinking, improving literacy skills, and equipping teachers with knowledge and instructional strategies to promote civic engagement of students.
- Resources to comply with legislative mandates.
- Community of Practice networking and sharing of best practices facilitated by history-social science experts in local regional settings throughout the 2020-2021 school year.

Join a community of HSS educators in order to grow in your knowledge of:

- Teaching California
- Civics Action Planning
- State Seal for Civic Engagement
- Environmental Literacy
- English-Language Development for History-Social Science
- Social-Emotional Learning
- The Genocide Education Project

- Center for Civic Education**
